

PENSACOLA CITIZENS AND CITY GOVERNMENT DON'T EVEN THINK ABOUT REMOVING THE CONFEDERATE MEMORIAL OR CHANGING THE NAME OF LEE SQUARE

You already show too little regard for our Confederate history. You have pushed aside the historic “City of Five Flags” for an uninspired new nickname and logo. You have mangled the Five Flags displays for no good reason.

In your eagerness to become a “world class city,” you have ignored and forgotten the working class Southerners from neighboring states who have vacationed on our beaches for generations.

Those visitors and many, many locals deeply respect Confederate history and heroes.

Do not jump on the Confederacy-hating bandwagon. Show honor where other cities have shown insult.

Our history is precious.
Respect it.
